## SOUP AND SAUSAGE

Is Good Enough for Me," Emperor Announces.

stars the following to-day from its correpdent at Berlin under date of Septem-

picture of the Kaiser which one chiains from the German-American newspapers a war lord proudly sending his ato battle, convinced of his right German culture, absolutism and s quite different from the impression of who come occasionally to Berfrom general headquarters, where the

Kalser has not changed his character in the last two months. He still is the profoundly sincere leader, impetuously loyal to his people, prompted by a deep rooted and an extraordinary sensi-

it may be, of course, that the distant world can see a face in this many sided | lous of the Mephistophelean persentification of himself. But any one who knows anything of the Kaiser knows that the is too impetuous to be willingly deceptions. The despatch says that timbers in the buildings and also timbers used temperature of the construction work on the temperature. sequently when he wrote a porarily in the construction work on the Berlin recently "No one can ' it was a true statement

e Kalser at general headquarters One is about his diet, which conwhat my soldiers are getting on The Markomannia and

One day he heard that his men at the cruiser Emden, which can were reduced to a piece of bread in the Indian Ocean.

The second story is the obverse of the "German atrecities" which have played a part in despatches from the allies. The Kaiser has ordered that no German artiliery shall fire on the provision wagons of the enemy and that any German who fires on the Red Cross flag even by accident shall receive the death penalty. These little stories better than anything else strike the keynote of the Bunperor's life during these times.
